Located halfway of Siem Reap International Airport and the City Center, a 5-minute drive from Siem Reap Airport and 15 minutes to Angkor Wat. It offers a huge parking space. Our hotel has operated for tourism in 2002 with newly-renovated in 2008 following the competitive styles, service, and facilities if comparing to all high-class Siem Reap hotels. Rooms are individually designed, offering views of the landscaped gardens and swimming pool or the city. They feature an LCD television, tea, and coffee-making facilities, as well as a marble en-suite bathroom. With some of the most elegant and majestic settings in Asia backdropped by the lavish landscapes, it has opted as one of the leading meeting planners offering a glamorous yet functional selection of venues for corporate and private engagements. Highlighted by the traditions of Khmer Empire, a stunning blend of Cambodian architecture of meeting facilities and conference rooms masked with contemporary design elevates even the highest-profile, international events. From corporate retreats to weddings and other special events, our event management team will create the perfect affair for the most discerning client.
